

Jordan Cattle Auction
Thursday, January 10, 2019

MASON & SAN SABA – Receipts totaled 4,911 head. The market seemed to have enthusiasm this week with active bidding on cattle with good quality and the right condition. Stocker steers and heifers were \$5 higher. Fleishy steers and heifers were steady on most classes and feeder cattle stayed steady as well. Packer cows and bulls remained unchanged from the prior week. There were large numbers of uniform groups that seem to help push the market in an upward motion. Plain cattle still have trouble finding their place in the market as buyers have limited interest.
